February 2010

A note from Stacey

I am ready to get back in the saddle soon! I can't believe all of the time that I have been off horses in the past 18 months! I have lots of time to make up in the saddle!

With that said, I am hoping that you guys will join me on my trail rides and all of the other activities that we have planned for the summer. I will be sending out emails about each of the events so get signed up on my email list now!

We had a rough 2009, many of you probably were not even aware of it! My hope is that 2010 will be much better! We are off to a great start so far!

Let's Ride

Farrier/Dentist/Vet:

I will no longer be able to pay for the farrier and dental visits and then bill for these services. I will notify you if your horse is due for treatment and you will have to pay in advance. If you notice that your horse hasn't had their hooves trimmed – please put their name on the board and either leave a check on the board, in the box, or give it to me.

Money Box:

I am going to put a box out in the barn again for you to put boarding checks in. I think this will help make things easier on everyone! Just be sure it is made out to *4-C Stables* instead of putting my name.

Clean Up Day:

If anyone is interested in helping clean up around here – please let me know. I am needing help getting trash and junk out of the paddocks and other small tasks. I will coordinate the day and provide drinks, lunch and possibly beer! It could be lots of fun!

Body Clipping:

We will offer body clipping for the horses starting in March. If you are interested in having this done – we can schedule it now. Cost is \$150 and includes complete body clip, bath and mane and tail brushed out completely.

Trail Rides!!!

The goal starting in March is to go trail riding at least twice a month! If you want to be included on our list of dates and places – I need to know NOW so we can work out trailer arrangements!
